CONSTRAINTS · MANAGE RISKS

# It Already Failed

Assume it failed · explain why · keep what you could have acted on · own the prevention.

Team _____

Date _____

**THE PLAN THAT FAILED — WRITE IT IN THE PAST TENSE**

| # | **FAILURE CAUSE** *what sank the plan* | **PREVENTIVE MOVE** *a real action — not the risk itself* | **OWNER** *& by when* |
|---|---|---|---|
| 1 | | | |
| 2 | | | |
| 3 | | | |
| 4 | | | |
| 5 | | | |

*We are far better at explaining failure than predicting it.*

Build the wall · keep only what you could have acted on · force it to five · a risk with no preventive move is just a worry.
